**A MESSAGE FROM THE CALIFORNIA CHILDRENS
SERVICES (CCS) PROGRAM**

NOTICE OF PRIVACY PRACTICES

**THIS NOTICE DESCRIBES HOW INFORMATION ABOUT
YOU MAY BE USED AND DISCLOSED AND HOW YOU
CAN GET ACCESS TO THIS INFORMATION.
PLEASE REVIEW IT CAREFULLY.**

The CCS Program must keep information we have about the children we serve private. This includes information about eligibility for CCS and personal medical information. CCS must give this notice to you and tell you how CCS may use and give out or “disclose” information about the children we serve.

How CCS May Use and Share Information

The child’s name, address, personal information about the child, medical history, medical exam, and medical services provided to children served by CCS will be used and shared mainly for a reason connected with the operation of the CCS Program. These reasons include:

- Deciding eligibility for CCS benefits
- Deciding fees that you may have to pay in order to receive CCS benefits.
- Deciding if the child is eligible for Medi-Cal or Healthy Families and if you have a private health insurance plan.
- **For treatment:** Approving services for a child’s exam, treatment, and therapy. CCS may need to approve health care services in advance. To give approval, CCS may receive information from and share it with other people caring for the child to make sure that children get the services they need.
- **For payment:** CCS and the people that work with us receive, review, approve, process, and pay for health care bills from doctors or other health care providers to pay for services. CCS may share health information with these doctors and other

providers, which bill CCS. CCS may send some bills that it receives to other health plans or groups, which may need to pay for services that were given to the child.

- **For health care operations:** CCS may use facts about children's health and health care to make sure that they get high quality health care. CCS may also use this information in audits or fraud investigations of doctors and other health care providers and for planning and managing the CCS Program.

Other Uses of Children's Health Information

CCS may also use or give out information about the child's eligibility for CCS and personal medical information for reasons such as:

- Calling or writing you about your child's CCS benefits.
- To people in the child's family to help in treatment or payment for services.
- For legal reasons, such as in response to a court order.
- For research studies that meet all privacy law requirements, such as research about disease prevention.
- To gather information that can no longer be traced back to the child, such as a list of how often various CCS medical problems happen for all CCS children.
- For reasons required by law, which may require sharing of the child's health information.

CCS may give out health information to organizations that help it run programs, such as companies that pay CCS bills. If CCS does this, it will make sure that these organizations protect the privacy of information we share with them.

Some state laws limit the sharing of the information listed above. For example, there are special laws that protect information about HIV/AIDS status, mental health treatment, developmental disabilities, and drug and alcohol abuse care. CCS will obey these laws.

NOTE

IF THE CHILD IS A MEDI-CAL PATIENT, THE LAW MAY NOT ALLOW SHARING SOME OF THE INFORMATION LISTED ABOVE. MEDI-CAL RULES SAY INFORMATION CAN ONLY BE USED OR SHARED FOR REASONS CONNECTED WITH THE OPERATION OF THE MEDI-CAL PROGRAM.

When Written Permission Is Needed

CSS must have written permission from the child's parent, guardian, or minors living on their own before sharing CCS eligibility and health information not discussed above. If you give CCS written permission to use or share your or your child's information for other reasons, you may take back your written permission at any time.

Your Privacy Rights

By law you have the right to:

- See and get a copy of the child's personal medical information, which CCS has.
- Have the child's personal medical information changed if you believe that it is wrong or if information is missing, and CCS agrees. If CCS disagrees, you may have a letter about why you disagree added to the child's personal medical file.
- Get a listing of people who get the child's personal medical information from CCS. This listing will not show when the child's personal medical information was given to the child's parent, guardian, or to children living on their own OR when information is shared for treatment, payment, or health care operations.
- Ask CCS to contact you in a different way or in a different place, such as sending materials to you at a Post Office Box instead of your home address.
- Ask CCS to limit how the child's personal medical information is used and given out. However, CCS may not be able to agree to your request.
- You have the right to obtain a paper copy of this Notice of Privacy Practices. This Notice is also available at the CCS Website, WWW.DHS.CA.GOV/PCFH/CMS/CCS

IMPORTANT

CCS DOES NOT HAVE COMPLETE COPIES OF CHILDREN'S MEDICAL RECORDS. IF YOU WANT TO LOOK AT, GET A COPY OF, OR CHANGE A CHILD'S MEDICAL RECORDS, PLEASE CONTACT THE CHILD'S DOCTOR OR CLINIC. IF THE CHILD IS IN A MANAGED CARE PLAN, THAT PLAN MAY HAVE INFORMATION ABOUT BILLS PAID. CONTACT THE MANAGED CARE PLAN TO LOOK AT OR GET COPIES OF THESE BILLS.

How To Contact CCS To Use Your Rights

If you want to use any of the privacy rights explained in this notice, please contact the CCS Program in the county where you live. The addresses and phone numbers of county CCS Programs are listed at the end of this Notice of Privacy Practices.
